Purpose of the policy

The centre is committed to ensuring that the examinations/assessments management and administration process is run effectively and efficiently and in compliance with the published JCQ regulations and awarding body requirements.

This policy will ensure that:

- all aspects of the centre's process is documented, supporting the centre's contingency plan, and other relevant exams-related policies and procedures are signposted
- the workforce is well informed and supported
- all centre staff involved in the process clearly understand their roles and responsibilities
- all exams and assessments are conducted according to JCQ and awarding body regulations, guidance and instructions, thus maintaining the integrity and security of the examination/assessment system at all times
- exam candidates understand the process and what is expected of them

This policy is reviewed annually to ensure ways of working in the centre are accurately reflected and that exams and assessments are conducted to current JCQ (and awarding body) regulations, instructions and guidance.

This policy will be communicated to all relevant centre staff.

The Policy is on the School Website and Staff and Students are directed to it by email.

Roles and responsibilities overview

(GR 2)

The **Head of Centre** is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/ assessments. This individual must have the authority to deploy the necessary resources to ensure that the centre is always compliant in meeting published JCQ regulations and awarding body requirements.

The Examinations Officer is the person appointed by the Head of Centre to act on behalf of, and be the main point of contact for, the centre in matters relating to the general administration of awarding body examinations and assessments.

The Head of Centre must not normally appoint themselves as the Examinations Officer. A Head of Centre and an Examinations Officer are two distinct and separate roles.

The Head of Centre and/or Examinations Officer may operate across more than one centre. In such cases the Head of Centre must ensure there is suitable senior leadership team support in place, so they can meet their obligations across all centres for which they are responsible. The Head of Centre must ensure that these arrangements are covered by their examination contingency plan.

Head of Centre responsibilities

(GR 1)

Heads of centre must ensure that senior leadership teams and exam office personnel familiarise themselves with the entire contents of the current [General Regulations for Approved Centres](#) (GR) booklet. In particular, heads of centre must familiarise themselves with paragraphs 5.1, 5.3 and 5.4.

Heads of centre must ensure that relevant members of staff respond promptly to actions raised by the JCQ Centre Inspection Service. Failure to do so could result in the centre not receiving or being able to access question papers and other confidential assessment materials. Ultimately, awarding bodies could withdraw approval of the centre.

Heads of centre must ensure that relevant members of staff respond promptly to requests for information from awarding bodies relating to the administration and conducting of examinations/assessments.

(ICE Introduction) **It is the responsibility of the Head of Centre to ensure that all staff comply with the instructions in the [Instructions for conducting examinations](#) document.** Failure to do so

may constitute malpractice as defined in the JCQ document [Suspected Malpractice: Policies and Procedures, 1 September 2024 to 31 August 2025](#).

(GR 5.1)

The Head of Centre must ensure:

- compliance with the published JCQ regulations and awarding body requirements to deliver the qualification(s)
- appropriate controls are in place which ensure accurate data is submitted to the awarding bodies by the required deadlines, e.g. entries, internally assessed marks
- all reasonable steps are taken to respond promptly to requests for information or documentation made by an awarding body or regulatory authority

Head of Centre

- Understands the contents, refers to and directs relevant centre staff to annually updated JCQ documents including:
 - [General Regulations for Approved Centres](#) (GR)
 - [Instructions for conducting examinations](#) (ICE)
 - [Access Arrangements and Reasonable Adjustments](#) (AARA)
 - [Suspected Malpractice - Policies and Procedures](#) (SMPP)
 - [Instructions for conducting coursework](#) (ICC)
 - [Instructions for conducting non-examination assessments](#) (NEA)
 - [A guide to the special consideration process](#) (SC)
- Ensures the centre has appropriate accommodation to support the size of the cohorts being taught including appropriate accommodation for candidates requiring access arrangements and/or practical assessments
- Where/if using a third party to deliver any part of a qualification (including its assessments) at the centre:
 - maintains oversight of, and responsibility for, the delivery of the qualification in accordance with JCQ regulations and awarding body requirements
 - has in place a written agreement with the third party (unless exclusions apply) to ensure there is a shared understanding of the arrangement and will manage the risk of failure by the third party to deliver the expected service
 - ensures that a copy of the written agreement is available for inspection if requested by the awarding body
- Ensures that relevant members of staff respond promptly to actions raised by the JCQ Centre Inspection Service, understanding that failure to do so could result in penalties (see **National Centre Number Register and other information requirements** section)
- Ensures that the centre promptly reports any incidents to the relevant awarding body/bodies which might compromise any aspect of assessment delivery, such as a cyber-attack
- Ensures members of centre staff do not forward emails and letters from awarding body or JCQ personnel without prior consent to third parties or upload such correspondence onto social media sites and applications (including third party applications)
- Ensures members of centre staff do not advise parents/candidates to contact awarding bodies/JCQ directly nor provide them with the names, addresses and contact details (including email addresses) of examiners, moderators, external verifiers and any other awarding body examining/assessment personnel/JCQ personnel

Resilience and contingency arrangements

(GR 3.16-19)

The centre must ensure they are familiar with the regulators' guidance on ensuring resilience in the qualifications system. Centres should consider putting in place a process for gathering evidence of candidate performance in line with the published guidance.

The centre must have an up to date written contingency plan.

The contingency plan must cover all aspects of examination/assessment administration and delivery. Senior leaders must have robust contingency arrangements in place that will minimise the risk to examination/assessment administration and delivery and any adverse impact on candidates.

The plan must cover the following scenarios:

- the Head of Centre, relevant senior leader(s) with oversight of examination and assessment administration, SENCo/ALNCo, Examinations Officer or any other key staff essential to the examination process being absent at a critical stage of the examination cycle
- the potential impact of other events such as flooding which could lead to all or parts of the centre becoming unavailable
- potential issues with the centre's IT systems.

As part of their contingency plan centres must identify an alternative site if examinations cannot be conducted at the registered address. Larger centres may require more than one potential alternative site or different sites for different Year Groups.

The centre must have at least one senior member of staff (senior designated contact) who is available to manage emergency requests from awarding bodies that are results related during the summer holidays. However, a number of contacts can be provided to reduce the risk of this falling on one individual throughout the summer holidays.

The centre must ensure that candidates' work is backed-up and should consider the contingency of candidates' work being backed-up on two separate devices, including one off-site back-up. Centres must implement appropriate security arrangements which protect candidates' work in the event of IT system corruption and cyber-attacks.

Cyber security

(GR 3.20-21)

The Head of Centre must ensure there are procedures in place to maintain the security of user accounts by:

- providing training for authorised staff on the importance of creating strong unique passwords and keeping all account details secret
- providing training for staff on awareness of all types of social engineering/ phishing attempts
- enabling additional security settings wherever possible
- updating any passwords that may have been exposed
- setting up secure account recovery options
- reviewing and managing connected applications
- monitoring accounts and regularly reviewing account access, including removing access when no longer required
- ensuring authorised members of staff securely access awarding bodies' online systems in line with awarding body regulations regarding cyber security and the JCQ document *Guidance for centres on cyber security*
Authorised staff will have access, where necessary, to a device which complies with awarding bodies' multi-factor authentication (MFA) requirements.
- reporting any actual or suspected compromise of an awarding body's online systems immediately to the relevant awarding body

It is the responsibility of the **Head of Centre** to ensure that the centre:

Recruitment, selection, training and support

(GR 5.3)

- Retains a workforce of an appropriate size and competence, including sufficient managerial and other resource, to undertake the delivery of the qualification as required by an awarding body. This includes taking reasonable steps to ensure occupational competence where this is required for the assessment of specific qualifications
- Provides fully qualified teachers to mark non-examination assessments, and/or fully qualified assessors for the verification of centre-assessed components
- Ensures that teaching staff do not use artificial intelligence (AI) as the sole means of marking candidates' work
- Enables the relevant senior leader(s), the Examinations Officer (EO) and the SENCo (or equivalent role) to receive appropriate training and support in order to facilitate the effective

delivery of examinations and assessments within the centre, and ensure compliance with the published JCQ and awarding body regulations

- Ensures that the SENCo (or equivalent role) understands the JCQ document [Access Arrangements and Reasonable Adjustments](#) and is given sufficient time to manage the access arrangements process within the centre
- Ensures that the Examinations Officer understands relevant awarding body and JCQ documentation and has sufficient time to perform their role
- Ensures that any member(s) of the senior leadership team who are responsible for examination administration familiarise themselves with relevant awarding body and JCQ documentation (This will ensure the Examinations Officer and the SENCo are supported as well as ensuring effective centre decision making in line with the published regulations)
- Ensures that teachers understand the relevant awarding body and JCQ documentation for the qualifications they are delivering to ensure they are delivered in line with the relevant regulations

External and internal governance arrangements

(GR 5.3)

- Has in place a written escalation process should the Head of Centre, or a member of the senior leadership team with oversight of examination and assessment administration, be absent

Escalation Process

In the absence of the Head of Centre (CXT), the Senior Deputy Head Teacher (MRT) or Deputy Head Teacher (SLA) who is also the SLT responsible for examinations, will deputise as appropriate or with assistance from the Head of Centre of our MAT partner schools if necessary.

Refer to [GR](#) (section 5.3 **External and internal governance arrangements**)

- (GR 1.9) Understands that this responsibility for completing the Head of Centre declaration survey cannot be delegated to a member of the senior leadership team or the Examinations Officer, and acknowledges that failure to respond to the NCNR annual update, and/or the Head of Centre's declaration, will result in:

The records must be retained until the deadline for reviews of marking has passed or until any appeal, malpractice or other results enquiry has been completed, whichever is later.
- *Notes that entering members of centre staff for qualifications at their own centre must be as a last resort in cases where the member of centre staff is unable to find another centre, and ensures:
 - proper protocols are in place to prevent the member of centre staff having access to examination materials prior to the examination and that other centre staff are briefed on maintaining the integrity and confidentiality of the examination materials

Also refer to GR (5.8) **Candidate information**

Consideration may also need to be given to the centre's policy on sharing candidates' results and other exams related information with those with parental responsibility and third parties

Legislation on sharing information

Under the principles of the General Data Protection Regulations 2018 and the Data Protection Act 2018, children and young adults can assume control over their personal information and restrict access to it from the age of 13. This suggests that candidate consent should be sought to share results or other exams-related information with a third party.

Other legislation and guidance may need to be taken into account regarding sharing information with parents, as example information from the DfE for schools regarding parental responsibility and school reports on pupil performance:

- a written malpractice policy which covers all qualifications delivered by the centre. The policy must detail how candidates are informed and advised to avoid committing malpractice in examinations/assessments, how suspected malpractice issues should be escalated within the centre and reported to the relevant awarding body. It must also acknowledge the use of AI (e.g. what AI is, when it may be used and how it should be acknowledged, the risks of using AI, what AI misuse is and how this will be treated as malpractice).

Access arrangements and reasonable adjustments

([GR](#) 5.4)

The Head of Centre/senior leadership team will:

- appoint a SENCo, or an equivalent member of staff, who will coordinate the access arrangements process within the centre and determine appropriate arrangements for candidates with learning difficulties and disabilities, candidates for whom English is an additional language, as well as those with a temporary illness or temporary injury
- ensure that learners have the correct information and advice on their selected qualification(s) in an accessible format and that the qualification(s) meet their needs. The recruitment process must include the centre assessing each potential learner and making justifiable and professional judgements about the learner's potential to complete the examinations/assessments successfully and achieve the qualification(s). The centre's assessment must identify, where appropriate, the support that will be made available to the learner to facilitate access to examinations/assessments.
- recognise its duties towards disabled candidates, including private candidates, ensuring compliance with all aspects of the Equality Act 2010[†], particularly Section 20 (7). This must include a duty to explore and provide access to suitable courses, through the access arrangements process submit applications for reasonable adjustments and make reasonable adjustments to the service the centre provides to disabled candidates. Where the centre is under a duty to make a reasonable adjustment, the centre must not charge a disabled candidate any additional fee in relation to the adjustment or aid.
[†]or any legislation in a relevant jurisdiction other than England and Wales which has an equivalent purpose and effect
- ensure that the SENCo undertakes the necessary and appropriate steps to gather a picture of need and demonstrate normal way of working for a private candidate such as a distance learner or a home educated student. The centre, where required, must lead on the assessment

process. The candidate must be assessed by the centre's appointed assessor. In some instances, depending on their needs, the candidate may have to be assessed away from the centre, for example at home. The centre must comply with the obligation to identify the need for, request and implement access arrangements.

- ensure that where a candidate with a learning difficulty requires an assessment of their needs, they are assessed by an appropriately qualified assessor as appointed by the Head of Centre (Evidence of the assessor's qualification(s) must be obtained before they assess candidates and held on file for inspection)
- have a written process in place to not only check the qualification(s) of their assessor(s) but that the correct procedures are followed as in Chapter 7 of the JCQ document *Access Arrangements and Reasonable Adjustments*

Access Arrangements Policy

<https://www.hayes.bromley.sch.uk/assets/Documents/Attachments/24-25-ACCESS-ARRANGEMENTS-POLICY-FINAL-v2.pdf>

There is no specific JCQ regulation that refers to a 'policy' requirement in this respect though it would be good practice to bring all aspects of the process together in one place thereby confirming the centre complies with GR (5.4) **Access arrangements and reasonable adjustments**

Such a policy would also provide the opportunity to record the qualification(s) of the appointed assessor(s) and that the correct procedures are followed

- assist the awarding bodies in the discharge of their duty to make reasonable adjustments by requesting access arrangements, where required, and fully support the SENCo in effectively implementing those arrangements once approved

Malpractice

(GR 5.11)

The centre will:

- take all reasonable steps to prevent the occurrence of any malpractice (which includes maladministration) before, during and after assessments have taken place
- inform the awarding body immediately of any alleged, suspected or actual incidents of malpractice or maladministration, involving a candidate or a member of staff, by completing the appropriate documentation
- as required by an awarding body, ensures evidence of any instances of alleged or suspected malpractice (which includes maladministration) is gathered in accordance with the current JCQ document *Suspected Malpractice - Policies and Procedures* and provides such information and advice as the awarding body may reasonably require
- (GR 6.2) Ensures any person involved in administering, teaching or completing examinations/assessments is advised that where malpractice is suspected, or alleged, personal data about them will be provided to the awarding body (or bodies) whose examinations/assessments are involved. Personal data about them may also be shared with other awarding bodies, the qualifications regulator or professional bodies in accordance with the JCQ document *Suspected Malpractice – Policies and Procedures*

Personal data

(GR 6.6, 6.8)

It is the responsibility of centres to inform candidates of the processing that the centre undertakes. For example, that the centre will provide relevant personal data including name, date of birth, gender to the awarding bodies for the purpose of examining and awarding qualifications.

Materials which are submitted by candidates for assessment may include any form of written work, audio and visual materials, computer programmes and data ("Student Materials"). Awarding bodies may use the Student Materials to evaluate candidates' performance in the relevant assessment. They may also use the Student Materials for other purposes as outlined in their privacy policies and in accordance with their terms. Candidates should be directed to the relevant awarding body's privacy

notice if they require further information about how their Student Materials may be used by the awarding body.

Where a centre or third party is in possession of any Student Materials for the purposes of candidate assessment, the Student Materials will be held on behalf of the awarding body.

<https://www.hayes.bromley.sch.uk/assets/Documents/Attachments/24-25-Alternative-Rooming-Arrangements-Policy-Exams.pdf>

Refer to [AARA](#) (4.2, 5.16) and [ICE](#) (14.18)

Why have a policy on this?

In certain circumstances, a candidate with 'an established difficulty' may be eligible to take exams in alternative rooming arrangements. Centres may also receive requests from candidates (and/or parents/carers) to take their exams in alternative rooms. Having a documented policy ensures:

- the criteria for candidates granted alternative rooming arrangements is clear and complies with JCQ regulations
- the centre can demonstrate the policy if asked/challenged by a candidate (and/or parent/carer)

Senior leaders, Teaching staff

Head of Centre

Controlled assessments, coursework and non-examination assessments

(GR 5.7)

- Ensures that where candidates are taking non-examination assessments, teaching staff check that the tasks and approach being taken are appropriate and in line with ethical standards and the centre's safeguarding responsibilities
- Ensures awarding bodies are notified of a consortium of centres with joint teaching arrangements for qualifications. This will allow the candidates for each specification to be treated as a single group for the moderation of centre- assessed work. This is only required if two or more member centres will be entering candidates for work that is centre-assessed.
- Ensures only current assessment materials/tasks are used to assess candidates' knowledge and skills (in cases where the awarding body provides such material)
- Before submitting marks to the awarding body ensures candidates are informed of their centre assessed marks and allows a candidate to request a review of the centre's marking
- Ensures that all associated administrative tasks are completed in an accurate and timely manner, e.g. marks are correctly calculated, recorded and submitted by the published date. It is the responsibility of the centre to carefully check the marks it is submitting to an awarding body.
- Ensures submission of centre-assessed marks and moderation samples, if required by the awarding body, by the published date. It is the responsibility of the centre to ensure that moderators receive the correct samples of work to review.
- Ensures a written internal appeals procedure relating to internal assessment decisions is in place and ensures that details of this procedure are communicated, made widely available and accessible to all candidates
- Ensures a written policy regarding the management of non-examination assessments, including controlled assessments and coursework is in place
- Ensures that candidates' work is backed-up and considers the contingency of candidates' work being backed-up on two separate devices, including one off-site back-up (Implementing appropriate security arrangements which protect candidates' work in the event of IT system corruption and cyber-attacks)

Senior leaders

- Ensure teaching staff have the necessary and appropriate knowledge, understanding, skills, and training to set tasks, conduct task taking, and to assess, mark and authenticate candidates' work (including where relevant, private candidates)

Exams officer

- Identifies relevant key dates and administrative processes that need to be followed in relation to internal assessment
- Signposts teaching staff to relevant JCQ [Information for candidates documents](#) that are annually updated

Invigilation

Head of Centre

- Ensures relevant support is provided to the EO in recruiting, training and deploying a team of invigilators

Entries: roles and responsibilities

Head of Centre

- Ensures the centre's obligations as detailed in the regulations are met. (With reference to [GR 5.4 Entries](#))

Estimated entries

Exams officer

- Requests estimated or early entry information, where this may be required by awarding bodies, from senior leaders (or relevant roles) in a timely manner to ensure awarding body external deadlines for submission can be met

Estimated entries collection and submission procedure

All estimated entries as processed according to the published exam board deadlines. Estimated entries are collected electronically from class teachers following a request from the EO. Heads of Departments will advise subject teachers of the criteria for calculation of an estimated grade where it may differ from the established school practice of calculating a Projected Grade as part of the Data Review Schedule. Heads of Departments will review the

whole subject cohort of estimated grades before submission to the EO. The EO will submit estimated grades to the relevant examination boards

Senior leaders

- Provide entry information requested by the EO to the internal deadline
- Inform the EO immediately of any subsequent changes to entry information

Final entries

Head of Centre

- Ensures appropriate controls are in place which allow accurate data to be submitted to the awarding bodies, e.g. entries

Exams officer

- Requests final entry information from senior leaders (or relevant roles) in a timely manner to ensure awarding body external deadlines for submission can be met
- Informs senior leaders of subsequent deadlines for making changes to final entry information without charge
- Submits registrations, examination entries and certification claims by the deadline(s) and complies with the requirements of the specification including any terminal rules which need to be met at the point of certification
- Confirms with senior leaders final entry information that has been submitted to awarding bodies
- Ensures as far as possible that entry processes minimise the risk of entries or registrations being missed reducing the potential for late or other penalty fees being charged by awarding bodies
- Observes each awarding body's terms and conditions for the entry and withdrawal of candidates for their examinations and assessments, and observes any regulatory requirements for the qualification

Final entries collection and submission procedure

The Estimate Entries information is used to create Entry Marksheets within Bromcom for teachers and HODs to confirm for subject entry and tier of entry. Each department will have a procedure for the process by which a tier of entry is agreed for each individual candidate, including discussion at parents' evening and following scrutiny of performance in mock examinations. In some cases, late changes to entries or tier of entry may be requested when for example, a student may show late progress in a subject or decide to take an AS level qualification in place of an A level. Late entry fees may be requested from a Department Budget at the discretion of the Head of Centre.

Entries are then sent via MIS through A2C to the appropriate Awarding Bodies.

Senior leaders

- Provide information requested by the EO to the internal deadline
- Inform the EO immediately, or at the very least prior to the deadlines, of any subsequent changes to final entry information, which includes
 - changes to candidate personal details
 - amendments to existing entries
 - withdrawals of existing entries
- Check final entry submission information provided by the EO and confirms information is correct

Entry fees

The vast majority of examinations entry fees are covered by the examinations budget. In some cases as a result of individual circumstances, a Department may fund half an entry fee or contribute

to late entry fees for example, in the case of a resit or an avoidable delay. This is at the discretion of the Head of Centre.

Examination entry fees for early entry or entry into additional languages must be met by parents/carers. These fees will vary according to the awarding body and will be notified to parents/carers.

Late entries

Exams officer

- Has clear entry procedures in place to minimise the risk of late entries
- Charges any late or other penalty fees to departmental budgets

Senior leaders

- Minimise the risk of late entries by
 - following procedures identified by the EO in relation to making final entries on time
 - meeting internal deadlines identified by the EO for making final entries

Re-sit entries

It is currently our practice that students are expected to pay for any retakes that they may wish to enter for with the exception of GCSE Maths and English in Year 12 where exam entry follows a taught course. The initiative for this must come from students themselves. There is a standard application form for this purpose, which requires the signature of the student, his/her parents, the Finance Officer on payment of the required fee. The HoD signature is required so that the Exams Officer is assured that the department knows of the entry and that there is an opportunity to discuss the entry with the student.

It is the policy of Hayes School to allow our students to enter any retake exam/module for which they are paying the fee, so long as there is parental/guardian approval and is in agreement with JCQ Regulations.

The school does not normally accept external private entries. However, some recent ex-students may be accepted for a resit of an examination at the discretion of the Head of Sixth Form and the Examinations Officer.

The re-sit form must be submitted to the Examinations Officer before the deadline, otherwise they may not be accepted, or penalty fees may become due.

Private candidates

A private candidate is normally a student studying for a qualification who is not enrolled at an approved examination centre for that qualification. The candidate may be home educated, being privately tutored, following a distance learning course or for some other reason is not enrolled at an approved exam centre for that qualification.

Centres are not obliged to accept private candidates.

JCQ maintains a list of centres willing to accept entries from private candidates

Private Candidates Policy

- We do not routinely accept private candidates, but may accept private candidates where they are a former student and wish to be entered for a re-sit. Decisions will be made by the Head of Centre on a case-by-case basis.

A meeting or call will be arranged to talk through the process before any final decision is made on whether the entry/entries will be accepted by the centre.

Private candidates will only be accepted for qualifications taught and available to internal candidates, except under exceptional circumstances.

Candidate statements of entry

Exams officer

- Provides candidates with statements of entry for checking

Teaching staff

- Ensure candidates check statements of entry and return any relevant confirmation required to the EO

Candidates

- Confirm entry information is correct or notify the EO of any discrepancies

Pre-exams: roles and responsibilities

Head of Centre

- Ensures the centre's obligations as detailed in the regulations are met. (With reference to GR 5.8 **Candidate information**)

Access arrangements and reasonable adjustments

SENCo (or equivalent role)

- Ensures appropriate arrangements, adjustments and adaptations are in place to facilitate access to exams/assessments for candidates where they are disabled within the meaning of the Equality Act (unless a temporary emergency arrangement is required at the time of an exam)
- Ensures a candidate is involved in any decisions about arrangements, adjustments and /or adaptations that may be put in place for him/her
- Ensures exam information (JCQ information for candidates documents, individual exam timetable, etc.) is adapted where this may be required for a candidate to access it
- Allocates appropriately trained centre staff to facilitate access arrangements for candidates in exams and assessments (ensuring that the facilitator appointed meets JCQ requirements and fully understands the rule of the access arrangement)
- Ensures the person appointed to facilitate an access arrangement must not normally be the candidate's own subject teacher, Learning Support Assistant or teaching assistant (Where the candidate's own subject teacher, Learning Support Assistant or teaching assistant is used, a separate invigilator must always be present)
- Where relevant, ensures the necessary and appropriate steps are undertaken to gather an appropriate picture of need and demonstrate normal way of working for a private candidate (including distance learners and home educated candidates) and that the candidate is assessed by the centre's appointed assessor

Briefing candidates

Exams officer

- Issues individual exam timetable information to candidates and informs candidates of any designated contingency sessions awarding bodies may identify in the event of national or significant local disruption to exams
- Prior to exams issues relevant JCQ Information for candidates documents (coursework, non-examination assessments, on-screen tests, social media and written examinations) and awarding body privacy notices
- Where relevant, issues relevant awarding body information to candidates

 - exam timetable clashes
 - arriving late for an exam
 - absence or illness during exams
 - what equipment is/is not provided by the centre
 - food and drink in exam rooms
 - unauthorised items in exam rooms
 - when and how results will be issued and the staff that will be available

- post-results services information and how the centre will deal with requests from candidates
- when and how certificates will be issued

Access to Scripts, Reviews of Results and Appeals Procedures

The form to request any of these services is only made available after results publication and when released by the exam boards. Candidates can access a hard copy of the form on results day, from the Exams Officer post results day or electronically. The deadlines for each of the post results services will be clearly communicated to candidates and HoDs upon collection of the appropriate form and published on the school website.

There may be circumstances where a HoD is puzzled by one or more results of his/her students and would like to see the scripts and subsequently request a review of marking or re-moderation of a NEA for example the cohort results are significantly lower than expected performance. Such concerns should be raised with the subject SLT Line Manager and the Head of Centre made aware.

As the current regulations state that results can be lowered as well as confirmed or raised and, the implications of an ill-advised review could be negative for a student, where possible a script should be requested and/or a moderation report scrutinised before a review of marking is requested. A Head of Department should make themselves aware of GCSE or A Level protocols regarding script access and possible debarring of a subsequent review as these vary between exam boards and qualifications.

It is essential that if any department wants to have access to scripts or to initiate a review they must have the consent of the student(s) and inform their parents first. The department is responsible for the payment of any such fees. In some circumstances where the Head of Centre or SLT line manager has concerns regarding the quality and consistency with national standards of marking, the fees may be funded by the examinations budget.

Candidates who request the use of these services will be charged the Awarding Body's fee for the service and an administration fee for the processing of the request. The school will only pay if an enquiry is deemed necessary for a group of candidates or for a single candidate in very exceptional circumstances negotiated individually. A HoD requesting one of these services will need to fund the request from his/her departmental budget.

The Exams Officer will administer all post results services and advise students and parents of specific awarding body protocols where necessary.

Refer to [GR](#) (5.13)

Seating and identifying candidates in exam rooms

Exams officer

- Ensures a procedure is in place to verify the identity of all candidates

Candidate Identification Procedure

In order to identify candidates the following steps are in place.

All examinations have a senior member of staff and HoD present before candidates enter the examination room and they will perform an initial visual check. Where students have AAs in a different room, these are overseen by a member of the exams teams that has an established knowledge of these candidates and can perform an initial visual check. Additionally, all candidate cards that are used have photographs to facilitate the verification of candidate in the exam room. Photo cards are generated from the exam centre's MIS system records which is also used to process examination entries. The identity of each candidate is checked against the photo card when the attendance register is taken at the start of the examination. If a candidate is wearing a religious veil the candidate will be approached by a member of staff of the same gender and taken to a private room where they will be politely asked to remove the religious veil for identification purposes.

In the exceptional circumstance of an external or private candidate that is not an ex student, sitting an examination at the centre, they are requested to bring photographic ID which is verified by the EO before given access to the examination room.

Exams officer

- Produces a master centre exam timetable for each exam series
- Identifies and resolves candidate exam timetable clashes according to the regulations (only applying overnight supervision arrangements as a last resort, once all other options have been exhausted and according to the centre's policy)

Overnight Supervision Arrangements Policy

This is only applied as a last resort and at the discretion of the Exams Officer in line with JCQ regulations. In the unlikely event of overnight supervision, the Exams Officer will make arrangements in line with JCQ guidelines, firstly having discussed all other possibilities with the student and their parents. Steps will be agreed, put in place and confirmed with the candidate and those supervising the candidate so that the integrity of the examination is maintained and that the candidate cannot access information that would put them at an advantage and put them at risk of committing malpractice.

Overnight supervision may be necessary in the circumstances where a candidate has a clash of exams that means that the recommended numbers of examined hours in one day is exceeded. The level of supervision and access to electronic means of communication will be made explicit along with the consequences of any possible malpractice by the EO. The EO will oversee the completion of all JCQ forms and approvals.

Candidate absence

Candidate Absence Policy

Where candidate absence is known on the day but before the start of the exam, the Exams Officer will inform the Achievement Coordinator or the SLT Line Manager. The Main Reception staff will call the candidate's home immediately to inform them that there is an exam and that the candidate is not yet in school. The ACo or SLT will confirm that all calls have been made and inform the Exams Officer of any potential late arrivals. The same procedure will be followed for students in rooms other than the main examination room such as those with Access Arrangements where the initial absence will be identified by the Lead Invigilator.

The same procedure occurs once the attendance register is taken in the exam. In this case the Exams Officer will inform Student Reception of any absent students.

In exceptional cases, a member of staff may go to the home to collect the candidate.

When a candidate arrives late but within the time window as specified by JCQ, they will be given the correct amount of time to complete the examination (see below).

Any persistent absences or late arrival to examinations are followed up the ACo and SLT. Appropriate action is put in place such as a parental meeting, home visit and/or support to try to ensure attendance of exams wherever possible

Any student who is unable to attend an exam must inform the Exams Officer immediately. The Exams Officer will explain the consequences of non-attendance at an examination, including those that are reporting illness, and the effect this will have on the overall grade. Students are always encouraged to sit an examination in case of illness, with special consideration applied for when appropriate supporting evidence is supplied.

There will be a regular review of the absence policy when and if there are Covid Regulations updates from the DfE.

If a candidate arrives more than one hour after the published starting time for an examination that lasts one hour or more they will be considered VERY late, and the relevant form will be sent to JCQ within seven days of the examination taking place. The school will need to be advised the reason, any details of special arrangements that were made for the candidate to reach the centre, the actual start and finish times, and the times the student started and finished. A student who arrives after an examination has finished or beyond the window where security of the paper can be guaranteed, will not be allowed to sit the examination.

Any candidates who are persistently late are referred to the ACo and SLT.

Candidates

- Provide appropriate evidence to support special consideration applications, where required

Unauthorised items

Arrangements for unauthorised items taken into the exam room

Candidates are given a final chance to hand in any unauthorised items before starting their exam. This is part of the JCQ requirements and check-list delivered to candidates as part of the starting an exam procedure. Internal examinations undertaken throughout a candidate's school career are conducted according to JCQ regulations in order to familiarise students with expectations and to lower the possibility of malpractice in the examinations. Unauthorised items declared before the start of an exam are placed out of reach on the invigilator's table. The school does not accept responsibility for items taken at the beginning of the exam and students should lock all unauthorised materials including mobile phones and watches in their lockers or leave them at home.
