Policy Name	Anti-Bullying Policy
Date of Last Review:	Autumn 2025
Date of Next Review:	Autumn 2026
SLT Responsible:	Head of School Assistant Head Teacher

1. Statement of Intent

1.1 Everyone at Hayes has the right to feel welcome, secure and happy. Only if this is the case will all members of the school community be able to achieve their potential. Bullying of any kind is unacceptable in our school. If bullying does occur, all students should be able to tell and know that incidents will be dealt with promptly and effectively.

It is everyone's responsibility to banish bullying and this policy contains guidelines for doing so. Our key aim is to prevent bullying by being proactive in our response to staff and student concerns.

1.2 Where bullying exists the student affected by the bullying must feel confident to report it. We aim to challenge attitudes about bullying behaviour, increase understanding for bullied students and help build an anti-bullying ethos in the school. We are a 'TELLING' school. This means that anyone who knows or suspects that bullying is happening, is encouraged to tell a member of staff.

1.3 The use of new technologies such as mobile phones, the internet and social media to intimidate others is an increasing national trend. Bullying by text, e-mail, phone call or social media often leave no physical scars but can be highly intrusive and harmful and can affect a child into adult-hood. The school will enforce strictly its policies with regard to use of mobile phones and the internet and will continue to monitor all e-communications used on the school site.

1.4 This document outlines how we make this possible at Hayes School.

2. Anti-Bullying Statement

Everyone at Hayes is entitled to respect and courtesy. It is important that we recognise bullying in all its forms.

Putting physical or mental pressure on another student, no matter what the reason, is bullying and we must all work together to prevent it.

- We must not frighten others with threats or actions.
- We must not spread hurtful gossip about others.
- We must not be unkind and spiteful to others.
- We must treat people, and their property, with respect, at all times.
- We must do everything we can to stop bullying.

If you are being bullied tell someone who will listen and help. You can always talk to:

- A teacher/staff member
- Any friend or relative
- A Sixth Former
- Anyone in a position to help (Your form tutor, Achievement Co-ordinator, Pastoral Support Manager or member of the Senior Leadership Team)

If you witness bullying, don't ignore it. You will be doing the right thing for the student responsible for the bullying, the student affected by the bullying and yourself. 'Do not be a bystander'.

3. What is Bullying?

While there is no single definition of bullying, the DFE identifies three points which most definitions share:

- The behaviour is intended to cause distress
- The behaviour is repeated
- There is an imbalance of power between the student/s responsible for the bullying and the student affected by the bullying

'Behaviour by an individual or group usually repeated over time, that intentionally hurts another individual or group either physically or emotionally.' (Safe to Learn, DFE).

'Bullying can take many forms (for instance, cyber-bullying via text messages, social media or gaming, which can include the use of images and video) and is often motivated by prejudice against particular groups, for example on grounds of race, religion, gender, sexual orientation, special educational needs or disabilities, or because a child is adopted, in care or has caring responsibilities. (Preventing and Tackling Bullying, DFE).

We define bullying as physical or verbally aggressive behaviour that occurs 'Several Times on Purpose.' The school uses this definition to help students understand the seriousness of bullying compared to other unacceptable behaviours and provides the 'STOP' acronym that leads to students and young people knowing that they should 'Start Telling Other People.'

Bullying can be:

- **Emotional** – being unfriendly, excluding, isolating, tormenting (e.g. hiding books, taking belongings, threatening gestures)
- **Physical** – pushing, kicking, hitting, punching or any use of violence
- **Sexual** – unwanted physical contact or sexually abusive comments
- **Verbal** – name calling, sarcasm, spreading rumours, teasing
- **Cyber** – misuse of the internet to intimidate, including by e-mail and social media sites
 - mobile threats by text message and call
 - misuse of associated technology i.e. camera and video facilities
 - sexting is when someone shares sexual, naked or semi-naked images or videos of themselves or others, or sends sexually explicit messages.
- **LGBTPhobia** – homophobic, biphobic or transphobic bullying based on a person's gender identity or sexual identity.
- **Relational Bullying** - (sometimes called social bullying) e.g. spreading of rumours, embarrassing someone in public, telling other students not to be friends with someone, leaving some out on purpose.
- **Racist Bullying** - e.g. physical, verbal, written, on-line or text abuse or ridicule based on differences of race, colour, ethnicity, nationality, culture or language.
- **Faith-based Bullying** - e.g. negative stereotyping, name-calling or ridiculing based on religion.
- **Sexist Bullying** - e.g. use of sexist language or negative stereotyping based on gender.
- **Homophobic Bullying** - e.g. name-calling, innuendo or negative stereotyping based on sexual orientation or use of homophobic language.
- **Disability Bullying** - e.g. name-calling, innuendo, negative stereotyping or excluding from activity based on disability or learning difficulties.
- **Emotional** - e.g. excluding, tormenting, threatening behaviour

- **Ability Bullying** - e.g. name-calling, innuendo, ostracism or negative peer pressure based on high levels of ability or effort.

It is important to understand that bullying is not an occasional falling out with friends, name calling, arguments or when the occasional 'joke' is played on someone. Children do sometimes fall out or say things because they are upset. When occasional problems of this kind arise it is not classed as bullying. It is an important part of a child's development to learn how to deal with friendship breakdowns, to develop social skills and repair relationships.

If not addressed or known about, bullying can lead to child on child abuse.

Bullying is defined as **'Several Times on Purpose', however, in some circumstances one serious incident can be defined as bullying.**

Why is it important to respond to bullying?

- Bullying hurts
- No one deserves to be affected by bullying
- Everybody has the right to be treated with respect
 - Students who are bullying need to learn different ways of behaving
 - Schools have a responsibility to respond promptly and effectively to issues of bullying

Students may be bullied for a variety of reasons, including:

- ethnic background, religion or culture
- disability, special educational needs or a particular ability
- sexual orientation
- gender (including sexualised bullying)
- size, appearance or health conditions
- social or economic status (poverty, class)
- age/maturity
- home circumstances – certain groups such as students in public care, or young carers, or those with same sex parents/carers or whose parents/carers have mental health difficulties may be particularly vulnerable.

4. Cyber-Bullying

Where any form of cyber bullying (as previously defined) affects another pupil in the school or may bring the reputation of the school into disrepute, the school reserves the right to be involved whether the electronic material was produced within the school or outside. Furthermore, the school will review electronic material held or accessed by any pupil in the school including their e-mail account and their mobile phone if we suspect cyber bullying is occurring. Students must be aware that some forms and levels of cyber bullying are illegal and the school will inform the police where necessary.

5. Bullying Outside School Premises

The school has the power to discipline students for non-criminal bad behaviour and bullying which occurs off the school premises, when students are wearing school uniform, are travelling to or from school or are in some other way identifiable as a student at the school.

Where bullying outside school is witnessed by or reported to school staff, it will always be investigated and acted on. The school will consider whether it is appropriate to notify the police of the action taken against a student. If the misbehaviour could be criminal or poses a serious threat to a member of the public, the police will always be informed.

6. Objectives of this Policy

- All governors, teaching and non-teaching staff, students and parents should have an understanding of what bullying is.
- All governors and teaching and non-teaching staff should know what the school policy is on bullying, and follow it when bullying is reported or suspected.
- All students and parents should know what the school policy is on bullying, and what they should do if bullying arises.
- As a school we take bullying seriously. Students and parents should be assured that they will be supported when bullying is reported.

7. Signs and Symptoms of Bullying

A student may display signs or behaviour that he or she is being bullied. Adults should be aware of these possible signs and should investigate if a child:

- is frightened of walking to or from school
- doesn't want to go to school on the school/public bus
- begs to be driven to school
- changes their usual routines
- is unwilling to go to school (school phobic)
- begins truanting
- becomes withdrawn, anxious, or lacking in confidence
- starts stammering
- attempts or threatens suicide or runs away
- cries themselves to sleep at night or has nightmares
- feels ill in the morning
- begins to do poorly in school work
- comes home with clothes torn or books damaged
- has possessions go 'missing'
- asks for money or starts stealing money
- has dinner or other monies continually 'lost'
- has unexplained cuts or bruises
- comes home starving
- becomes aggressive, disruptive, unreasonable
- is bullying other children or siblings
- stops eating
- is frightened to say what's wrong
- gives improbable excuses for any of the above

These signs and behaviours could indicate other problems, but bullying should be considered as a possibility and should be investigated.

8. Roles and Responsibilities

All members of the school community have a responsibility to challenge bullying if it occurs. All staff members at the school are made aware of the procedures that they should follow if an incidence of bullying is brought to their attention. The first point of contact for parents should be the student's

Form Tutor and then the Achievement Co-ordinator. The Assistant Headteacher with responsibility for Behaviour has responsibility for the Anti Bullying Policy alongside the Headteacher.

9. Actions to Prevent Bullying

Prevention is better than cure so at Hayes School we are vigilant for signs of bullying and always take any reports of bullying seriously. We use the curriculum and other appropriate times to reinforce the ethos of the school and help students to develop strategies that combat bullying-type behaviour. We strive to organise our community in order to minimise opportunities for bullying, for example, teacher supervision during break and lunch time. We use a variety of methods to help students prevent bullying as and when appropriate including:

- Assemblies
- Anti-Bullying Week
- Anti-Bullying assemblies lead by our Ambassadors
- Anti-Bullying Twitter campaigns
- CCTV around the school
- Internet Awareness week
- Display materials around the school by a variety of means (posters, website, etc.)
- Behaviour plans for individuals
- Positive achievement assemblies
- ACTIVE sessions specifically aimed at raising awareness of bullying and how to prevent it
- Student surveys
- Regular contact and liaison with the Safer Schools Police Officer
- Anti-Bullying Ambassadors assigned
- Anti-Bullying ambassadors 'drop in' sessions every Wednesday in H6 (*'We're here Wednesdays'*)

Parents are reminded through newsletters to inform their children that they must tell someone if they being bullied.

We have been working with the Diana Trust and now have a group of Anti Bullying Ambassadors who will be working with staff to lead and develop our work on promoting an Anti-Bullying culture at Hayes School.

10. Actions to Tackle Bullying

10.1 Procedures (Reporting)

Students

- Students are encouraged to 'Start Telling Other People'
- They are encouraged to report possible bullying to any member of staff they trust, a friend or a member of their family.
- Students who are 'bystanders' are reminded that it is their responsibility to report this to a member of staff.
- There is provision for school members to report incidents via email stop@hayes.bromley.sch.uk

Staff

- All incidents of suspected bullying will be dealt with by the member of staff it is reported to, usually the Form Tutor or Achievement Co-ordinator or it will be passed onto another member of staff who is more able to deal with the incident.

- All staff are responsible for the health and wellbeing of the students and have a duty to respond seriously to any claim of bullying.
- If staff are unable to investigate the matter they must refer it immediately to the Achievement Co-ordinator or Assistant Headteacher with responsibility for the year group.
- The Deputy Headteachers will be informed of all incidents of bullying.
- The Headteacher will also be informed if the incident is of a very serious nature
- If bullying is confirmed it will be logged in the school bullying log on Bromcom. All instances of bullying will be recorded and monitored for patterns of behaviour.
- Lunchtime supervisors will report any concerns to a member of the Senior Leadership Team

Parents/Carers

- Parents and carers are encouraged to share any concerns with their child's Form Tutor, Achievement Co-ordinator or a member of Senior Leadership Team.
- Where parents and carers report concerns to the school, they cannot expect the school not to take action in accordance with this policy in the interests of the bullying stopping.
- In serious cases, parents should be informed and will be asked to come in to a meeting to discuss the problem.
- If necessary and appropriate, particularly if behaviour in school is repeated out of school, police will be consulted.

10.2 Procedures (outcomes)

Student affected by the bullying

- The bullying behaviour or threats of bullying must be investigated immediately and the bullying stopped.
- Students affected by the bullying will be reassured that they have done nothing to deserve the bullying and that what may have happened is not their 'fault'
- Students affected by the bullying will be consulted with on how to rebuild relationships with the student responsible for the bullying if they want to do this.
- Referral to the school counsellor may be considered appropriate.
- Following investigations, staff will periodically 'check in' with students that have been affected by bullying to ensure that the child feels happy and secure at school.
- Interventions may be put in place to support the student affected by the bullying and support them in developing appropriate skills to protect themselves from bullying behaviours.

Student responsible for the bullying

- The student responsible for the bullying will be interviewed and the seriousness of the incident assessed.
- Importantly, the student responsible for the bullying should be helped to realise that bullying will not be tolerated, that it must stop immediately and that there can be no re-occurrence
- Students are helped to reflect upon their actions and to empathise with how the bullied child may feel and restorative work will take place.
- Students who have bullied are supported to modify their behaviour – this may be through individual or group interventions, including pastoral support and involvement of parents to reinforce the unacceptable nature of bullying.
- Suspension for one or more days may be considered if appropriate.
- A change of class and/or tutor group, and bespoke provision may be considered in exceptional situations.
- After incidents have been investigated and dealt with, each case will be monitored to ensure repeated bullying does not take place.
- The incident may be reported to the police and students may have to meet with the School's Officer(s)

- The school works closely with the local police to make sure that any incidents outside school are reported to the school so that students involved can then be monitored inside school as appropriate.

Consequences: (please note the steps below operate alongside and sanctions for each incident)

The Achievement Co-ordinator will determine whether to initiate proceedings under the school's four level system.

First incident – reported and recorded and the student responsible for the bullying will be given a verbal warning and a note of this will go in their file

Level 1 – The student responsible for the bullying will be given a Middle Leader Detention, when repeated behaviour and a note of this will go in their file, with a phone call home to notify Parents/ Carers

Level 2 – Following a second reported incident, the student responsible for the bullying's parents will be informed in writing.

Level 3 – Following a third reported incident, the student responsible for the bullying and their parents will be seen by the Achievement Co-ordinator and Assistant Headteacher.

Level 4 – The student responsible for the bullying will be seen by the Headteacher who will consider suspension.

Parents

- Parents/carers of both student affected by the bullying and student responsible for the bullying will be kept informed throughout the process.
- Close contact will be maintained with the student affected by the bullying's parents or carers to ensure that the student affected by the bullying adjusts positively back to school life as quickly as possible.
- Parent views will be taken into account but the school will stress that wherever possible reconciliation will be considered in order to provide clear resolution for all concerned while not condoning the bullying

Reconciliation

- The student responsible for the bullying will be asked at a suitable point to genuinely apologise, in writing or in person
- Students will be encouraged to reconcile any issues over a period of time so that any injustice can be rectified.
- Some students may be asked to participate in one to one or group interventions to support their social development and reduce the incidents of bullying behaviours.

10.3 Procedures (recording)

- All bullying incidents are recorded on Bromcom.
- Concerns about students are recorded by Achievement Co-ordinators and shared with relevant staff.
- Termly reports are analysed and evaluated by the inclusion team at inclusion briefing

- The year teams are responsible for discussing incidences of bullying and liaising with class teachers and other staff to ensure that incidents of bullying are not missed. Year teams meet weekly for a briefing.

11. External Agency Involvement

Where necessary we will call on outside resources to aid an investigation, or offer support to a student affected by the bullying and/or the student responsible for the bullying. Such agencies include the Police, Early Intervention Team and counsellors. This will always be done in partnership with parents/carers.

12. Monitoring and Evaluation

Hayes School reviews this policy annually and assesses its implementation and effectiveness. This policy is promoted and implemented throughout the school. The school also analyses student questionnaires and uses this data to inform future practice and policy.
