

Hayes School Sixth Form Home School
Agreement 2025/26

Hayes School – Sixth Form Home-School Agreement

HOME-SCHOOL PARTNERSHIP FOR THE SUCCESS OF

There is a clear link between a student's success in the Sixth Form and the wholehearted commitment of students, parents/carers and the school. A strong and consistent partnership is essential to ensure every student achieves their potential and leaves Hayes Sixth Form as a confident, independent and successful learner.

EXCELLENCE — Believing in Excellence

THROUGH — Supporting Excellence

ENDEAVOUR — Achieving Excellence

To achieve this, we each have responsibilities to which we must commit ourselves:

As a Sixth Form Student I commit myself to:

1. Working hard in all subject areas and allowing others to learn without disruption.
2. Attending school regularly, aspiring to 100% attendance, and using non-contact periods productively for independent study.
3. Being punctual to school and all lessons, and arriving fully equipped and prepared to learn.
4. Adhering to the Sixth Form dress code.
5. Taking full responsibility for managing and meeting all coursework and Non-Exam Assessment (NEA) deadlines.
6. Respecting the school environment and local community.
7. Following all instructions from staff, accepting support to improve my behaviour and conduct, and complying with the Sixth Form Behaviour and course enrolment and continuation policy.
8. Being pro-social in my conduct — actively contributing to a positive, inclusive and respectful learning environment for others, including showing consideration in shared Sixth Form spaces and communal areas.
9. Participating fully in school life and enrichment, including leadership opportunities, societies, and mentoring where appropriate.
10. Engaging constructively with feedback to achieve my personal best and taking ownership of my academic progress in all areas.
11. Acting as a positive role model within the Sixth Form and wider school community, and representing Hayes School with pride and maturity at all times.
12. Ensuring that my online presence, including social media, is responsible and causes no harm, offence or reputational damage to others or the school.

As a Parent/Carer I commit myself to:

13. Supporting my child's academic progress through active engagement with their studies, including NEAs and independent learning, and encouraging them to use non-contact periods effectively.
14. Ensuring my child attends school on time every day with the necessary equipment and materials for learning.
15. Ensuring my child dresses in accordance with the Sixth Form dress code at all times while on school site and when representing Hayes School externally.

16. Supporting high attendance and avoiding term-time holidays; reporting all absences promptly via 6thattendance@hayes.bromley.sch.uk or Study Bugs, and following up with written confirmation.
17. Attending parents' evenings, staying informed about my child's progress, and updating the school on matters affecting their education or well-being.
18. Sharing any of my child's successes with the school so that these may be recognised and celebrated.
19. Fully supporting the school's rules, policies and procedures — including the Sixth Form Behaviour and course enrolment and continuation policy — and ensuring my child attends any set detentions or support sessions.
20. Ensuring my child's online and social media use is appropriate and respectful of others.
21. Contributing to the positive culture at Hayes School through constructive communication and mutual support of staff and students.
22. Encouraging participation in wider school opportunities, including revision sessions, workshops, and interventions.
23. Raising and responding to concerns respectfully, understanding that school staff have the right to a safe working environment, free from verbal abuse or intimidation.

Hayes School commits to:

24. Upholding the school's ethos and high expectations for all students.
25. Providing excellent teaching and a supportive environment tailored to the needs of Sixth Form learners.
26. Offering a safe, inclusive and respectful environment that nurtures personal and academic development.
27. Celebrating student achievement across all areas — academic, personal and extracurricular.
28. Listening to and working with students and parents/carers on matters affecting education and well-being.
29. Maintaining clear and timely communication with parents and carers on matters of progress, attendance and behaviour.
30. Keeping families informed of key events and opportunities through letters, newsletters, reports, email and the school website.
31. Supporting students in becoming active citizens and developing the skills needed for lifelong learning and success beyond school.
32. Equipping students with the tools and support to take ownership of their learning and reach their goals.
33. Offering a rich and varied programme of wider opportunities, including leadership, enrichment, and careers support.
34. Providing ongoing support and guidance to help students plan and prepare for their next steps after Sixth Form, including higher education, apprenticeships, or employment.
35. Raising and responding to concerns from students and parents in a timely, constructive and professional manner.

We believe that by fulfilling the above commitments, we will support the success and well-being of all students in Hayes Sixth Form.
