HOME-SCHOOL PARTNERSHIP FOR THE SUCCESS OF

There is a clear link between a student's achievement at school and the wholehearted commitment of students, parents/carers and the school to this end. Furthermore, it is essential that we form a strong partnership to ensure this success.

To achieve this, we all have responsibilities to which we must commit ourselves.

As a Student I commit myself to:

1. Working hard and allowing others to learn
2. Attending school regularly and aspiring to have 100% attendance
3. Coming to school and lessons on time, in uniform and with the necessary equipment and homework
4. Respecting the school environment and the local community
5. Being polite and well-mannered and showing consideration and respect for others at all times
6. Behaving in an appropriate manner at all times, following adult instructions first time, accepting support to improve my behaviour and attending detentions, in accordance with the school's behaviour policy
7. Participating actively in school life and enrichment activities and opportunities
8. Actively engaging with feedback to improve on my previous best in all areas; taking responsibility for my own progress in every lesson and accepting challenge and support from staff and parents/carers in respect of my academic performance
9. Being a positive ambassador for my school at all times, and a role model as a Hayes Learner whilst in Hayes uniform and in the wider community
10. Ensuring my on-line and social media presence and interactions cause no harm or offence to others

As a Parent/Carer I commit myself to:

1. Taking an active interest in my child's school and homework; supporting my child with homework and independent study, and encouraging them to take responsibility for their progress in lessons
2. Ensuring my child comes to school in correct uniform with the necessary equipment
3. Ensuring my child attends school regularly and on time every day except when unavoidable and avoiding taking holidays during term time; informing the school by email (attendance@hayes.bromley.sch.uk) or via the Study Bugs app on the first day of absence and following this up with a note on the day of return (all absence from school has a detrimental effect on a students' learning)
4. Attending Parents' Evenings, responding to reports and letters and keeping the school informed of matters relating to the education, health and safety and the welfare of my child
5. Informing the school of any successes that should be celebrated
6. Fully supporting the school and its rules, policies and procedures, with specific reference to behaviour and discipline, and ensuring my child attends detentions
7. Ensuring my child's on-line and social media presence is appropriate at all times
8. Contributing to making Hayes School a better school for all students, staff and parents
9. Encouraging my child to participate in wider opportunities including attendance at intervention and revision sessions that he/she may be invited to attend
