1<sup>st</sup> December 2025

Dear Parents and Carers

## Re: Festive/Alternative Jumper Day – Friday 12<sup>th</sup> December 2025

As in previous years we want to support the amazing work of Save the Children, by undertaking an in school Festive/Alternative Jumper Day. This will take place on **Friday 12<sup>th</sup> December 2025**. On this day, students are permitted to wear a festive/alternative jumper to school. All other school uniform or Sixth Form dress code items including a blazer/jacket must remain unchanged.

We ask that students make a voluntary contribution of a minimum of £2 to wear their festive or alternative jumper, with all proceeds being donated to Save the Children to support them in the work they undertake. Save the Children provide vital support for young people all around the world to provide a fairer world, and we are proud to support the important work they undertake.

Payments of the voluntary contribution can be made via ParentPay.

We hope all students will join us in expressing themselves through their jumper choices and, most importantly, supporting such a worthwhile cause.

Yours sincerely

Mr A Allred
