Dear Year 13 Students and Families

RE: A Level Results Day – Thursday 13th August 2026

We hope you're enjoying the long summer break and getting lots of rest following the end of the exam season. Whether you've got yourself a part-time job, are enjoying seeing friends or making new ones, just relaxing or are lucky enough to be going away, we hope you're having fun and most importantly a well-earned break.

Of course, we hope that this is far from your mind right now and continues to be! However, if you would like some support, please do speak to someone you trust about how you're feeling or contact the school via the normal channels. You are still a valued member of our Hayes School community.

In addition, the following sites have useful information:

As you await your results, remember to be proud of what you have achieved. Your hard work and perseverance have brought you to this point and that is something to celebrate. However, qualities like resilience, curiosity, kindness, courage, and compassion are just as important—and they are often the true markers of success in life. These are strengths that no grade can fully capture, but they will serve you well wherever your journey takes you.

Whatever your results, know that there is always a way forward. Whether it's Plan A or Plan B, we are here to support you every step of the way. Please see the plan for collection of A-Level results.

Collection of Results

Students can collect their results in person from 8:00am in the Sports Hall. This time coincides with the results embargo lifting and UCAS track going live.

We are aware that some students are unable to collect their results on this day, therefore, we will also email out all results to students' school email accounts, at approximately 9.00am.

If students are unable to access their emails or attend school in person on this day, they can nominate someone over the age of 18 to collect their results for them. To do this students must email examsofficer@hayes.bromley.sch.uk from their school account giving permission to and confirming the name of the person collecting the results on their behalf.

Please Note: We are unable to accept emails from personal accounts and/or parents or carers, pertaining to this. In addition, the nominated person collecting the results must have a valid form of photo ID with them in order to be able to collect results.

Next Steps Support

Next steps support will be available from 8:00am on **Thursday 13th August** in the Sixth Form Centre throughout the day. This is designed to support students in confirming university places and guide students whose next steps may still be uncertain and as such may require some additional careers support and advice from the range of staff who will be on hand.

Our team will also be on hand to support students and families throughout the day.

I look forward to seeing students on results day and to celebrating your hard-earned success with you.

Yours sincerely
