Dear Parents/Carers

The Road Safety Team at Bromley Council have booked **Level 3** Bikeability Cycle Training courses for some of the Year 8 students at Hayes Secondary School in **May 2024**.

**Bikeability Level 3** – These courses are only open to those Students who have already **successfully completed Levels 1 and 2** and are in **Year 8**.

Level 3 Bikeability builds on existing Level 2 skills by empowering trainees to communicate, anticipate and negotiate with other road users whilst riding on more challenging local road environments including traffic lights, roundabouts, pinch points, multi-lane roads, filtering through traffic etc. so it is essential that those participating have been cycling and practicing the skills already acquired. Please do not apply for this course if your Child has not been practicing or is not confident and competent on their cycle on the road.
