Dear Parents and Carers,

RE: Year 11 Examination arrangements and Study Leave

We would like to take this opportunity to thank you for your continued support as we approach the final stages of the examination season. We continue to be impressed with the positivity and resilience Year 11 are showing, which we are sure will reap benefits in the Summer.

We are writing to confirm the arrangements for Year 11's from **Thursday 4th June:**

Study leave will commence on **Thursday 4th June** following the morning History examination and from this point students should attend school for examinations and pre-exam revision sessions only. The Year 11 timetable will be suspended from this point.

A **Year 11 Study Hub** will be open and available during the Study Leave period from 8am until 3pm daily based in the Sixth Form Centre to support students who wish to continue to attend school to revise and prepare for remaining examinations. In this instance students should attend in full school uniform and sign in and out at student reception. This allows us to maintain accurate record in case of emergency. **From Thursday 4th June there is no longer a need to report student absence other than from an examination.**

Ongoing Exam Support

- A range of targeted revision sessions will continue to run during Periods 3 and 4 in support of forthcoming exams with additional, after school and breakfast revision sessions in place as appropriate to support preparation for morning examinations. **We strongly recommend students attending sessions relevant to them.** The list of pre-exam sessions remaining can be seen below*.

- Heads of Department will continue to provide **online pre-exam briefings**, available via SatchelOne, offering key guidance on exam approach, technique, and time management. These should be viewed by students in advance of each examination.

Year 11 Celebration Event

We understand that the Year 11 timetable finishes on Thursday, and this might therefore sound like a 'last day'. However we want to stress that our final day celebration will occur on **Wednesday 24th June**. Until the final examination is concluded, our expectation is that students remain fully focussed on their studies and that their conduct both inside and outside of school continues to reflect the high standards with which they have conducted themselves so far.

We are very excited to celebrate our Year 11s' hard work and application at our Celebration Event, at which students will have the opportunity to sign shirts, collect leavers hoodies and collectively celebrate their time here at Hayes. More details about this event will be communicated in due course.

Finally, we thank you as parents and carers for your continued support at this important time and especially in ensuring students engage in all of the opportunities available to them to put them in the best position to successfully navigate their next steps.

Yours sincerely,

Mr Mitchell and Mr Goodman
