Dear Parents and Carers

Re: Rewards and Recognition Programme

As part of our ongoing commitment to recognising and celebrating our students' achievements, we are currently reviewing and expanding our Rewards and Recognition Programme. In addition to academic and in-school accomplishments, we would like to acknowledge students who are actively involved in volunteering within the local community.

We kindly ask for your support in letting us know if your child is currently participating in, or has recently participated in, any volunteering activities outside of school. This may include work with charities, community organisations, sports clubs, religious groups, environmental projects, or other forms of service in the community.

If your child is involved in volunteering, please complete the form using the link below;
[Rewards and Recognition in the community – Fill out form](#)

This information will help us ensure that students' positive contributions to the wider community are appropriately recognised and celebrated.

Thank you for your continued support and partnership. Should you have any questions, please do not hesitate to contact me at cdm@hayes.bromley.sch.uk I look forward to hearing from you.

Yours faithfully

Mr C Moore
Associate Assistant Headteacher and Head PE.
