24th November 2025

Dear Parent/Carer

Re: Year 11 Careers Week

We are excited to share that Year 11 Careers Week has been a fantastic opportunity for your child to explore a variety of future pathways and begin thinking about their next steps beyond GCSEs! During the week, students researched different subject choices, learned about various career options, and gained valuable insights into apprenticeships, university applications, and how UCAS can help support their decisions moving forward.

Your child has had access to a wealth of information through their Unifrog account, and we highly encourage you to explore the platform with them. It's an excellent resource to help guide future decisions, and we're sure you'll find it helpful too.

As part of Careers Week, we also welcomed a special guest speaker who shared her inspiring journey of securing a BBC apprenticeship after completing her 6th Form studies. She provided students with a real-life example of how apprenticeships can be a fantastic option after school, opening doors to incredible opportunities.

Looking ahead, we are thrilled to announce our **third annual Careers Fair on Wednesday, 26th November**. With over 50 exhibitors from a range of industries, this event will give your child the chance to speak with employers, learn about different career sectors, and explore exciting opportunities available in the workplace. It's a key event in our school calendar, and we're eager to continue growing it in the years to come.

If you're interested in becoming involved with next year's Careers Fair or other career-focused events, we'd love to hear from you! Please reach out to Mrs. Stewart, our Careers Leader, at **cds@hayes.bromley.sch.uk** for more details or any careers-related queries.

Thank you for your ongoing support in helping guide your child's future success. We're excited to see all the possibilities that lie ahead for them!

Yours sincerely

Mr. D. Hazlehurst
Assistant Principal

Mrs C. Stewart
