Dear Parents/Carers

Re: Revision Resource

I am writing to you to inform you of an excellent revision resource that the department have produced to support your child in applying their knowledge to practice questions leading up to their exam. The booklet contains a large selection of example practice questions for all 8 of the GCSE units, with a space to answer them.

If you would like to purchase the resource, the cost of the booklet is **£3.60**, and can be used both at home as well as in lessons. The booklet also contains key religious scripture for all 8 units, which they can use to support them in answering the questions. **This is NOT the same as the revision guide.** But the two resources work great together, with the revision guide being for content and the application booklet being for practise and application.

If you wish to purchase this booklet, please could you make the relevant payment through ParentPay by **Monday 19th of February**. When the booklets have been printed, students will be able to come and collect them from their religious studies teacher.

Please could I request that students bring their receipt from ParentPay when collecting them.

Yours faithfully,

Mrs Palin
