Wednesday 15th April 2026

Dear Year 11 parents/carers,

Re: Year 11 Staff Thank You

We have opened a form where students can thank a teacher(s) or colleague for some of the support they have received, or where they feel someone has gone above and beyond their role. The form ([link here](#)) is also on Satchel One and should be completed by Tuesday 19th May. Every entry takes around 2 minutes depending upon the message they compose.

Having spent two decades in schools and visited many along the way, I can honestly say that most if not all go far beyond their job description when it comes to supporting and guiding students. A thank you always puts 'some wind in their sails' and will be wonderfully well received. I would really appreciate it if you could encourage your child to take the time to do this.

Kind regards

Mr Hazlehurst
Assistant Headteacher
