20th March 2024

Dear Parents/Carers

Re: Easter School and Easter Revision

I would like to bring to your attention a series of Easter classes that staff in a number of different subjects are providing for our Year 11 students. With this letter you will receive an attachment which shows the sessions that have been scheduled for Year 11 students.

Some sessions have been planned for specific students, and Departments, or Teachers, will contact you separately if your child is invited to those sessions.

We have asked students to sign up for sessions (by Monday, 25th March at 5pm – form via Satchel One), just so that we can get an indication of demand and plan accordingly. If your child wishes to attend and has not signed up online by this deadline, please still encourage them to come along.

If your child is unsure of which sessions to attend, please ask them to speak to their subject teachers who will be happy to advise.

In addition to the subject specific sessions above, the Study Hub is available for Year 11 and 13 students to attend. This area of the school is designed for students to come to school to work independently, or with their partner, should they wish to. The room will be supervised by a member(s) of staff who will also be able to support with revision ideas. The Study Hub is open:

Wednesday 10th April – 9:00am -2:00pm in Sixth Form Study Centre

Thursday 11th April – 9:00am – 2:00pm in Sixth Form Study Centre

Friday 12th April – 9:00am – 2:00pm in Sixth Form Study Centre

Information for those attending:

- Students do not need to wear school uniform when attending these sessions, but should be dressed appropriately for work.
- **All students are required to sign in and out in the Sixth Form Study Centre.**
- In addition to following the common rules and having due regard for their safety and the safety of others, they should not wander around the school, as some areas are out of bounds due to works and lettings.
- The restaurant will not be open so students should bring food and drink as required.

Cont/...

20th March 2024

In addition to the in-school sessions, and to help focus revision during the Easter break, can I please refer all parents of Year 11 students toward the [Revision Timetables](#) that Departments curated and placed online.

It is important for students to maintain a work/life balance and students should find time to also rest and relax during the Easter break as well.

Yours sincerely

Mr C.Steel
Year 11 Achievement Co-ordinator
