Dear Parents, Carers and Students

Re: Online Safety Webinar for Parents and Carers

Further to my letter from 27th September, I know that many parents and carers have watched the Online Safety Webinar from our external partners ECP.

The webinar is still available and will be until Sunday 29th October. The session is inspirational and up-to-the-minute, and is a must for all those who are concerned about the safety of their children when using the internet.

To join the webinar, you must register on the link below:

Link to register for the session: <https://attendee.gotowebinar.com/register/3117364388480800096>

Important information from the provider:

I hope that you find the webinar useful and informative.
