Dear Parents and Carers

Re: End of Year Letter

As we come to the end of what has been a truly memorable year, I wanted to take a moment to reflect on the many achievements and experiences that have defined Year 9.

This year has been a significant milestone for our students, not least because they have taken the important step of choosing their GCSE options. They approached this process with maturity, thoughtfulness, and a growing sense of responsibility for their futures. It has been a pleasure to see them engage so positively with this next stage of their academic journey.

Beyond the classroom, the year group has embraced a wide range of opportunities that have enriched their school experience. Our trip to London Zoo was a particular highlight, giving students the chance to explore, learn, and enjoy time together outside of school. In addition, many students took part in the ski trip—an unforgettable experience that not only developed new skills, but also encouraged independence, resilience, and teamwork. It has been fantastic to see so many students stepping outside of their comfort zones and making the most of these opportunities.

We also celebrated the end of the year in style, with an unforgettable KS3 graduation event featuring not one, but two 100ft inflatable assault courses. It was wonderful to see students challenging themselves, supporting one another, and enjoying a well-deserved moment of celebration after a year of hard work.

One of the most remarkable achievements this year has been the way Year 9 have truly “broken the mould.” They have earned more house points than any previous Year 9 group from what I can remember, with a total of 63,000 an accomplishment that reflects their consistent effort, positive attitudes, and commitment to excellence across all areas of school life.

Most importantly, however, it has been inspiring to watch these young people grow not only as students, but as individuals. They have developed resilience, kindness, and a strong sense of community. They have supported one another, risen to challenges, and demonstrated the values that we are so proud to promote within our school – Responsibility, Kindness, Endeavour and Inclusivity.

It has been a privilege to work with such a fantastic year group. I am incredibly proud of all they have achieved and look forward to seeing them continue to flourish in the years ahead. I wish you and your family a wonderful summer.

Yours sincerely

Mr Redding
