Dear Parents/Carers

Re: Hayes School Fund

At Hayes School, we are proud of the wide range of opportunities and experiences we offer our students, both inside and beyond the classroom. Many of these go beyond what government funding alone can provide.

The Hayes School Fund is a voluntary way for families to support this wider provision. Contributions help us enhance enrichment opportunities, support trips, and invest in resources that make a real difference to students' experiences.

If you feel able to contribute, we suggest a voluntary donation of around £60 per year. This can be given annually or in smaller termly amounts. Of course, any contribution, large or small, is greatly appreciated and directly benefits our students.

Donations can be made via our JustGiving page via the QR code below or by clicking [this link](#), where eligible donors may also choose to add Gift Aid, increasing the value of their contribution at no additional cost.

We fully understand that not all families are in a position to contribute, and there is no expectation or obligation to do so. Your support of the school in all its forms is always valued. Thank you for helping us continue to provide the very best for our students.

Yours sincerely

Mr Hitch
Headteacher
