Dear Parents and Carers

Re: Parent Webinar

We are pleased to invite you to our first parent webinar, taking place on **Tuesday 3rd February at 6.00pm.**

This webinar marks the start of a mini-series of half-termly online sessions designed to support you in helping your child with their learning at home, and a new initiative to Hayes. Each session will focus on practical strategies, guidance, and key information to help strengthen the partnership between home and school. We know how challenging it is at home to know what direction to turn in supporting revision and acting on advice from school.

During this first webinar, we will:

- Outline the aims of the webinar series
- Share practical tips for supporting learning at home
- Provide an opportunity to ask questions and suggest topics for future sessions

During the Webinars, there will be no option to use the 'Chat' function, however there is a 'Q&A' tab which will be monitored by a member of staff during the presentation. Any queries posted in here will be answered during the talking, but the questions will not be visible to others on the call.

We anticipate the Webinar to last between 20-30 mins and hopefully be a very informative session of what success at GCSE looks like.

Thank you for your continued support.

Yours sincerely
