11th March 2026

Dear Parent/Carer

RE: Year 11 Parent/Carer Information Forum 2

As you may have seen in the school calendar, and as advertised at the first forum, the second Year 11 Parent/Carer Information Forum will be held on Thursday 26th March, starting at 6pm in the school's main hall.

During the evening the following will be discussed;

- Year 11 support overview
- Exam procedures (primary focus of the evening)
- Results day and sixth form enrolment

Please be aware due to the volume of key information that needs to be transmitted, unfortunately there will not be the opportunity for a question-and-answer section, nor the ability to discuss individual students. We hope that the information presented will answer many questions you may have – any further support can be sought from your child's tutor as usual. The slides from the forum presentation will be shared on the school website after the event.

For our planning, please could I ask you to confirm whether or not you are able to attend using the form linked below. Letting us know you are unable to come is just as helpful as letting us know you can make it. I would appreciate responses being sent by 5pm Tuesday 24th March.

[Year 11 Parent/Carer Forum 2 Attendance – Fill in form](#)

For those that are able to make it, I look forward to seeing you at the forum. Thank you in advance to everyone for your support along the home straight of Year 11.

Yours sincerely

Mr Mitchell
