

Dear Parents and Carers,

At Hayes School, fostering an environment that supports pupil mental health and wellbeing is a top priority. To help achieve this, IMPACT multi-academy trust has invested in **The Wellbeing Hub**, a free resource developed by experts in child and adolescent mental health and wellbeing. We are pleased to offer all parents and carers free access to this valuable resource.

As a member of The Wellbeing Hub, you will benefit from:

You can view a guided video tour of The Wellbeing Hub for Parents [HERE](#), and support for downloading the web app to your desktop or phone home screen can be found [HERE](#).

Our agreement with The Wellbeing Hub also supports our entire school community, providing staff with a 10-part course designed to further assist your child within the school environment.
