Dear Parents/Carers

Re: Religious Studies GCSE Revision Guide

In order to support students with revision for their Religious Studies GCSE, I would recommend that the accredited revision guide is purchased to support them with their independent study.

It is the revision guide we use in school and therefore students are familiar with how to use it.

The cost of the revision guide is £6.99 and you can purchase a copy via Parentpay; all parents/carers have been given a login and password for this.

If you have bought a revision guide in previous years and your child has not collected it from me please send them to the humanities office with proof of purchase or a note from you so that I can give them a copy.

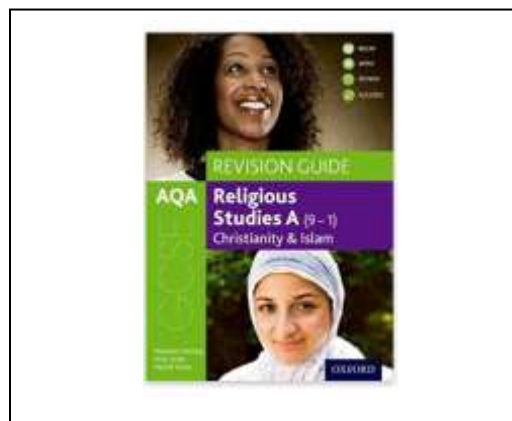

Please do not hesitate to contact me if you require any further information about the course or revision guides.

Thank you for your continued support this year.

Yours faithfully
