---

Thank you for your interest in joining Hayes School. I hope that this information pack will help you to learn more about the role, our school and our students.

# ABOUT HAYES SCHOOL

### Our School

Hayes School is a high achieving, oversubscribed and well-disciplined 11-18 co-educational school with excellent accommodation and facilities set in very attractive grounds. We provide an outstanding education for our students as well as exciting opportunities for professional and career development for staff. Our 1700+ students have a desire to succeed and to learn displaying excellent attitudes and behaviour. Relationships between students and staff are very good and staff enjoy opportunities to lead and participate in a wide range of extra-curricular activities and trips. (There are over 80 clubs and over 100 trips take place every year)

In September 2022, Hayes School was judged Outstanding by Ofsted:

- "It is clear that Hayes School provides all pupils with an exceptional experience."
- "Pupils behave extremely well. They are polite, respectful of others and have excellent professional relationships with their peers and teachers".
- "Leaders and teachers have developed a consistent approach to their work in the classroom".
- "A great deal of emphasis is given to ensuring that teachers are experts in their subjects".
- "Staff were especially positive about the way their wellbeing and workload is considered by leaders".

Attainment and progress are high and above local and national averages. In 2024, students achieved considerable academic success in GCSE, A level, vocational and L1/2 qualifications. 81% of GCSE students achieved at least a Grade 4 in English and Maths, nearly 1 in 4 grades were Grade 7-9 and students made excellent progress across a range of subjects/courses. Our Year 13 students achieved considerable success with 57% and 84% of all grades at A\*-B and A\*-C respectively, and an average grade of B- across both our A Level and vocational courses.

Our Sixth Form of 500 students is heavily oversubscribed and successful. "The Sixth Form curriculum meets the needs of all students and includes a range of academic and vocational qualifications (Ofsted 2022)."

However, Hayes is not complacent. We have a relentless commitment to improvement. We judge everything we do by the standard "would this be good enough for my child?" All staff go the extra mile to provide challenge, support and opportunities for every child.

We are very proud of our school, of the opportunities we provide, and of our role in the community. We strive to build on our success creating an environment where each individual is valued: an environment that fosters acceptance and compassion, vibrant, caring relationships, life-long learning skills and a strong sense of moral purpose.

### **Our Facilities**

Hayes School benefits from a beautiful campus comprising green spaces, trees and a variety of purpose-built teaching blocks. The School offers exceptional educational facilities, which are continually being maintained, extended and developed. We have a recently installed a purpose-built fitness suite for use by students and staff and a new, refurbished staff room.

Partnerships with local sporting clubs, Ealing Trailfinders RFC and Brunel University support our academy programmes and provide students and staff with access to high quality coaching and expertise.

Our arts provision in art, music, dance and drama is outstanding – students excel and benefit from high quality teaching and a wide range of opportunity.

All teachers and students have access to ICT to enhance teaching and learning.

The school benefits from:

- Staff laptops
- Brand new touch screen interactive panels in every classroom
- A significant number of networked computer suites across the school

- State of the art audio-visual equipment to support high quality performances
- A high speed wireless network across the campus
- An on-site Fitness Suite available for staff use

### **Our students**

Our students are a delight to work with. They are kind, caring and supportive of each other. We have “uncompromising aspirations” for all and encourage our young people to aim high and to live our motto “Excellence through Endeavour.” Hayes students want to do well and recognise that they need to work hard to achieve their own personal ambitions. The “Hayes Way” enables all students to demonstrate the behaviours for learning we expect and supports us in sustaining an environment where all are respected and can be safe, happy and successful.

We recognise our responsibility to prepare students for life beyond school and place equal emphasis on the development of skills and attributes as we do success in public examinations. ‘The Hayes Learner’ promotes reflective, creative, communicative, independent and collaborative students and at their heart, we expect our students to be kind, respectful, responsible, tolerant and proud.

We have a well-developed pastoral system and staff genuinely care about our students as individuals. We encourage students to participate in school life and to lead our school. There are countless opportunities to volunteer, mentor other students and participate in extra-curricular clubs, activities and educational trips and visits.

### **Our staff**

We recognise and value the skills, knowledge and expertise of all our staff and are committed to supporting their professional development. Our newly launched Teacher Professional Growth programme supports teacher professional development within ‘teaching and learning communities’ as we model our commitment to lifelong learning to the students we teach. In this respect, we balance the needs of the school with those of the individual. Teaching and leadership development programmes are delivered in-house and there are

opportunities to mentor and support trainee and early career teachers, or to participate in coaching programmes.

An induction programme, staff buddies and an active staff committee all contribute to helping staff new to the school to find their feet. All staff are willing to share expertise, resources and ideas and are a great source of support.

We are committed to working in partnership with other schools, both within and outside our Trust. We encourage and support further learning and research and there are opportunities for specialist career progression and to work with and support other schools through networks and partnerships.

Staff regularly go the extra mile at Hayes to support students and to give their time to the broad extra-curricular programme, which includes sports, music, drama and a host of trips, exchanges, clubs and other activities.

We are a friendly team of teachers and associate (support) staff and look forward to welcoming you to our school.

### **The Impact Multi Academy Trust**

Hayes School joined with Ravens Wood School in April 2017 to form the Impact Multi Academy Trust.

In September 2022, our trust merged with Langley Park Learning Trust to form a new trust of seven schools (Clare House Primary School, Hawes Down Primary School, Hayes School, Langley Park Primary School, Langley Park School for Boys, Langley Park School for Girls and Ravens Wood School). On 1<sup>st</sup> April 2025 we additionally welcomed Darrick Wood School into our Trust, meaning the Trust is now made up of five secondary schools and three primary schools.

It is rare to see two high performing, like-minded trusts come together in the interests of providing better and more sustainable education and care for all of the children in their schools and community, but we believe this is what the Impact Multi Academy Trust is.

All of our schools are popular and high performing, serving the same community. They are also driven by a commitment to improving even further to deliver the very best education, care and life chances for all children. We are driven by educational and moral purpose as well as enlightened self-interest. We want all schools within the Trust to retain their identity and compete, but also to collaborate to provide an outstanding educational experience that impacts on the life chances of all students. This is reflected in our Trust vision, mission and values.

There is an African proverb "If you want to travel fast travel alone. If you want to travel far travel together." Together in collaboration, we will build on the strengths of all schools, address those areas that could and should be improved further, and travel both fast and far in the interests of all our students.

Working within a trust provides opportunities for support from a network of teachers and support staff across all our schools.

### PASTORAL CARE

---

Pastoral care at Hayes School aims to support our students such that they are able to achieve their potential in all aspects of their school career. We work together to ensure that all students at Hayes School are able to be safe, happy and successful. The Tutorial Programme and ACTIVE lessons (PSHE) in all years, aim to raise students' confidence, and help them to develop knowledge, interpersonal skills, social skills and communication skills in preparation for adult life. We secure the active involvement of students in their learning and in the wider community.

We pride ourselves on the positive relationships and calm, purposeful atmosphere in school. These are supported by our routines, systems and expectations, which promote good learning habits and behaviour for learning. We expect all students to follow the "Hayes Way" respecting themselves, others, the school, the environment and our local community.

"The Hayes Way" and "Hayes Habits" provide a clear framework of expectations for members of our school community and are supported by a newly introduced behaviour curriculum to ensure our students are **ready, responsible** and **respectful**.

## BEHAVIOUR MANAGEMENT

---

The school sets high standards of behaviour for its students and is a community which values and respects each individual, whether staff or students. Racism, sexism, LGBTphobia and other forms of discrimination are not acceptable.

We aim to prepare students for living in a diverse and increasingly inter dependent society. Sanctions and support, in line with our Behaviour Management Policy, seek to support students and required improvements in behaviour. We endeavour to not only 'manage behaviour' but to change behaviour.
