## **MFL TEACHER (Part-Time)** Candidate Pack

### Required for September 2025 Main/Upper Pay Range (Outer London)

Required for September 2025 a part-time MFL teacher (0.6-0.8) with a passion to teach French and German at KS3 and KS4 to join our MFL department on a short-term maternity cover basis until November 2025. Our department is committed to collaborative planning, particularly at Key Stage 3, to give students greater equity of experience and to give staff greater work life balance. We meet regularly to share resources and ideas.

Hayes students are enthusiastic and confident communicators in a range of languages. Our students have positive attitudes towards language learning and benefit from excellent teaching from highly skilled, committed and experienced teachers. Languages are a priority within our school.

Modern Foreign Languages are a popular subject at both Key Stage 4 and 5 with a large number of students selecting languages as an option. Indeed, around 75% of our students take the EBACC and a significant number of students go on to pursue careers and higher education courses in this area.

Our school benefits from and actively contributes to a range of partnerships and we are the lead school for the Bromley Schools' Collegiate, a School Centred Initial Teacher Training (SCITT) provider for primary and secondary teacher training.

Hayes School is a high achieving, oversubscribed school, which provides excellent education for its students as well as exciting opportunities for professional and career development for staff. The school benefits from its proximity to central London and excellent transport links whilst bordering the beautiful Kent countryside.

***"Pupils enjoy school and achieve highly." (Ofsted)***

***"The curriculum is especially well throughout." (Ofsted)***

***"All who work in the school understand and share these values. This is the Hayes Way" (Ofsted)***

#### **We can offer:**

- Motivated students with outstanding attitudes to learning.
- Outstanding student behaviour.
- Excellent facilities for staff, including an on-site fitness suite.
- An excellent induction and support programme for new staff.
- An employee Assistance Programme and flu vaccination.
- Innovative approaches to Teacher Professional Development.
- Opportunities to work with other schools through established partnerships.
- A friendly working environment.

**Closing Date: Monday 16<sup>th</sup> June 2025 (9.00am)**

**Interviews Date: Wednesday 18<sup>th</sup> June 2025**

Please send your completed application form and covering letter to [vacancies@hayes.bromley.sch.uk](mailto:vacancies@hayes.bromley.sch.uk). If you require any additional information or have any questions, please contact Karolina Kedziora, HR Officer at [kmk@hayes.bromley.sch.uk](mailto:kmk@hayes.bromley.sch.uk).

*We are committed to equality of opportunity for all our staff. We particularly welcome applicants from ethnic minority backgrounds as they are currently under-represented on our staff body. We recognise the vital contribution that members of a diverse team make to our students' learning. The range of cultural experiences, differing viewpoints and role models this brings is essential in our Trust and we recognise the gap that would be left in our offering without these.*

*The school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Therefore, the successful applicant will be subject to Enhanced Disclosure and Barring Service check.*

### WELCOME FROM THE HEAD OF SCHOOL

---

Thank you for your interest in joining Hayes School. I hope that this information pack will help you to learn more about the role, our school and our students.

We are an ambitious, outward looking school with high aspirations and expectations of our students and a commitment to lifelong learning, which is shared by students and staff.

Whether you are new to working in schools, or are looking to move to gain experience and develop your career, you will be joining a friendly family of staff who are committed and supportive of each other. You will also benefit from working with wonderful students.

Having joined the school as a Senior Leader, 6 years ago, and working alongside our Executive Headteacher who has been connected to the school for almost 25 years, I can honestly say that this is a school in which you can grow and develop as a teacher, leader and staff member. A significant number of our staff have been here for many years and their own children attend the school as students, which is testament to our saying '[would this be good enough for my own child?](#)'

Should you wish to arrange a visit to the school or to have an informal discussion prior to submitting your application, please do not hesitate to contact the school.

I hope you will feel that Hayes School is a school which is aligned with your personal values and that we can look forward to receiving your application.

Claire Thompson  
Head of School

### ABOUT HAYES SCHOOL

---

#### Our School

Hayes School is a high achieving, oversubscribed and well-disciplined 11-18 co-educational school with excellent accommodation and facilities set in very attractive grounds. We provide an outstanding education for our students as well as exciting opportunities for professional and career development for staff. Our 1700 students have a desire to succeed and to learn displaying excellent attitudes and behaviour. Relationships between students and staff are very good and staff enjoy opportunities to lead and participate in a wide range of extra-curricular activities and trips. (There are over 80 clubs and over 100 trips take place every year)

In September 2022, Hayes School was judged Outstanding by Ofsted:

- "It is clear that Hayes School provides all pupils with an exceptional experience."
- "Pupils behave extremely well. They are polite, respectful of others and have excellent professional relationships with their peers and teachers".
- "Leaders and teachers have developed a consistent approach to their work in the classroom".
- "A great deal of emphasis is given to ensuring that teachers are experts in their subjects".
- "Staff were especially positive about the way their wellbeing and workload is considered by leaders".

Attainment and progress are high and above local and national averages. In 2024, students achieved considerable academic success in GCSE, A level, vocational and L1/2 qualifications. 81% of GCSE students achieved at least a Grade 4 in English and Maths, nearly 1 in 4 grades were Grade 7-9 and students made excellent progress across a range of subjects/courses. Our Year 13 students achieved considerable success with 57% and 84% of all grades at A\*-B and A\*-C respectively, and an average grade of B- across both our A Level and vocational course.

Our Sixth Form of 500 students is heavily oversubscribed and successful. "The Sixth Form curriculum meets the needs of all students and includes a range of academic and vocational qualifications (Ofsted 2022)."

However, Hayes is not complacent. We have a relentless commitment to improvement. We judge everything we do by the standard "would this be good enough for my child?" All staff go the extra mile to provide challenge, support and opportunities for every child.

We are very proud of our school, of the opportunities we provide, and of our role in the community. We strive to build on our success creating an environment where each individual is valued: an environment that fosters tolerance and compassion, vibrant, caring relationships, life-long learning skills and a strong sense of moral purpose.

### **Our Facilities**

Hayes School benefits from a beautiful campus comprising green spaces, trees and a variety of purpose-built teaching blocks. The School offers exceptional educational facilities, which are continually being maintained, extended and developed. We have a recently installed a purpose-built fitness suite for use by students and staff and a new, refurbished staff room.

Partnerships with local sporting clubs, Ealing Trailfinders RFC and Brunel University support our academy programmes and provide students and staff with access to high quality coaching and expertise.

Our arts provision in art, music, dance and drama is outstanding – students excel and benefit from high quality teaching and a wide range of opportunity.

All teachers and students have access to ICT to enhance teaching and learning.

The school benefits from:

- Staff laptops
- Brand new touch screen interactive panels in every classroom
- A significant number of networked computer suites across the school
- Media and photography equipment including digital stills, video cameras, studio and dark room
- Industry standard machinery including laser cutters, 3D printers and CAD/CAM equipment
- State of the art audio-visual equipment to support high quality performances
- A high speed wireless network across the campus
- An on-site Fitness Suite available for staff use

### **Our students**

Our students are a delight to work with. They are kind, caring and supportive of each other. We have “uncompromising aspirations” for all and encourage our young people to aim high and to live our motto “Excellence through Endeavour.” Hayes students want to do well and recognise that they need to work hard to achieve their own personal ambitions. The “Hayes Way” enables all students to demonstrate the behaviours for learning we expect and supports us in sustaining an environment where all are respected and can be safe, happy and successful.

We recognise our responsibility to prepare students for life beyond school and place equal emphasis on the development of skills and attributes as we do success in public examinations. ‘The Hayes Learner’ promotes reflective, creative, communicative, independent and collaborative students and at their heart, we expect our students to be kind, respectful, responsible, tolerant and proud.

We have a well-developed pastoral system and staff genuinely care about our students as individuals. We encourage students to participate in school life and to lead our school. There are countless opportunities to volunteer, mentor other students and participate in extra-curricular clubs, activities and educational trips and visits.

### **Our staff**

We recognise and value the skills, knowledge and expertise of all our staff and are committed to supporting their professional development. Our newly launched Teacher Professional Growth programme supports teacher professional development within ‘teaching and learning communities’ as we model our commitment to lifelong learning to the students we teach. In this respect, we balance the needs of the school with those of the individual. Teaching and leadership development programmes are delivered in-house and there are

opportunities to mentor and support trainee and early career teachers, or to participate in coaching programmes.

An induction programme, staff buddies and an active staff committee all contribute to helping staff new to the school to find their feet. All staff are willing to share expertise, resources and ideas and are a great source of support.

We are committed to working in partnership with other schools, both within and outside our Trust. We encourage and support further learning and research and there are opportunities for specialist career progression and to work with and support other schools through networks and partnerships.

Staff regularly go the extra mile at Hayes to support students and to give their time to the broad extra-curricular programme, which includes sports, music, drama and a host of trips, exchanges, clubs and other activities.

We are a friendly team of teachers and associate (support) staff and look forward to welcoming you to our school.

### **The Impact Multi Academy Trust**

Hayes School joined with Ravens Wood School in April 2017 to form the Impact Multi Academy Trust.

In September 2022, our trust merged with Langley Park Learning Trust to form a new trust of seven schools (Clare House Primary School, Hawes Down Primary School, Hayes School, Langley Park Primary School, Langley Park School for Boys, Langley Park School for Girls and Ravens Wood School).

It is rare to see two high performing, like-minded trusts come together in the interests of providing better and more sustainable education and care for all of the children in their schools and community, but we believe this is what the Impact Multi Academy Trust is.

Our schools are popular and high performing, serving the same community. They are also driven by a commitment to improving even further to deliver the very best education, care and life chances for all children. We are driven by educational and moral purpose as well as enlightened self-interest. We want all schools within the Trust to retain their identity and compete, but also to collaborate to provide an outstanding educational experience that impacts on the life chances of all students. This is reflected in our Trust vision, mission and values.

There is an African proverb "If you want to travel fast travel alone. If you want to travel far travel together." Together in collaboration, we will build on the strengths of all schools, address those areas that could and should be improved further, and travel both fast and far in the interests of all our students.

Working within a trust provides opportunities for support from a network of teachers and support staff across all our schools.

### What do parents say about Hayes School?

"Hayes School produces wonderful young people"

"The school encourages the students to achieve the best they can, to reach their potential."

"My children are comfortable and relaxed at school with great friends. They respect their teachers and enjoy their day. They never complain or moan about school. We are extremely happy with Hayes School."

"I have been so impressed and grateful for the dedication shown by teachers to enable my son to achieve the best that he can."

"Strong leadership and management starts from the top and filters throughout the whole school."

"The school has a family feel about it."

"Hayes is an outstanding school that doesn't rest on its laurels. The school continues to strive to do better."

"The leaders are regularly seen around the school talking to students which I think is great to see."

"I believe you have created a school environment which is what a school should be. Happy, safe, that allows students to be the best they can be and celebrates them for who they are."

"The support my child has received both pastorally and academically has been brilliant. The teaching is fantastic and the good behaviour of students is maintained."

"A huge range of opportunities and leadership activities is offered to children and they receive recognition for this."

"Hayes has built a reputation that is the envy of many other schools. As parents, we are very grateful that our children attend Hayes, as this will stand them in good stead for their futures."

"Hayes as a place is a fantastic community and this school is at the heart of it."

### What do staff say about working at Hayes School?

"Since starting at Hayes, it has been clear that Teaching and Learning is at the very heart of everything at the school. I feel very supported here at Hayes, especially in developing teaching and learning practice."

"Students are incredibly dedicated and hardworking and are always pushing themselves to do their best. Working with students that are proactive, marvellously polite, well-mannered, and with high goals, is a really exceptional experience."

"The organisation and effective set up of whole-school procedures make Hayes School both a fulfilling and straight forward place at which to work."

"When I look back at my time at Hayes so far, it's very rewarding to see how I've progressed professionally. Every year I have been encouraged to, and have taken on responsibilities that I never thought I could do when I began teaching here."

"Academic success is central to the vision and aims of the school, but this is not at the detriment of the absolute commitment to the development of the whole child. The pastoral support, the ACTIVE (PSHE) curriculum and the extra-curricular opportunities are truly outstanding."

"Staff are highly motivated, committed to excellence and are always willing to support each other."

"Hayes is a true community school, which everyone is proud to be part of. I feel very much a valued member of a vibrant team working here."

"Hayes School is the kind of school you wished you could have attended as a child. The possibilities and opportunities are endless!"

### THE MODERN FOREIGN LANGUAGES DEPARTMENT

---

The Modern Foreign Languages Department is made up of French, German and Spanish and constitutes 1 full time and 9 part-time teachers. The team is friendly, committed and innovative. Trips and ICT are utilised to complement the delivery of the curriculum, which takes place in a suite of well-equipped specialist rooms.

Each member of the department is required to raise language awareness and promote language learning throughout the school. The post holder will be expected to contribute to the effective running of the department and to give full support and commitment to the school's aims.

Modern Foreign Languages has a high profile at Hayes School due to the consistently excellent results obtained in external examinations and students' enjoyment of languages throughout the school. In 2024, 81% of students taking an MFL GCSE achieved a grade 4 or better. The school has a track record of sustained high achievement in all 3 languages over a number of years at A Level, with 93% of students achieving A\*-C in 2024. Students have often gone on to study languages at Russell Group universities; this year, we have 3 interviews pending at Oxbridge to study a foreign language.

All students study two languages at KS3 from Year 7 (French and Spanish/German) and MFL is within the core curriculum at KS4. Sixth Form courses are run in French, German and Spanish in both Years 12 and 13.

The school has secured the International School Award and has embedded the international dimension across the school, developing links with partner schools. Partnerships exist with schools in France, Spain and Germany. Languages are celebrated each year through Languages Week, a cross-curricular event organised by the faculty to coincide with the European Day of Languages. Recent residential visits have included trips to Berlin, Montpellier and Granada.

The department has excellent audio-visual resources, a range of dedicated ICT software and hardware (including interactive panel screens in all classrooms and a newly refurbished language laboratory.) A variety of course books and resources support the consistent delivery of engaging and challenging lessons, equipping students with language skills and cultural contact with the language and country of study.

The languages department is committed to continuous professional development and the sharing of good practice. Members of the department and leading MFL professionals have been invited to contribute to training events and teachers regularly participate and contribute to an established network across the borough. The department has also been involved in initial teacher training and has mentored trainees in recent years through the Bromley Schools' Collegiate ITT scheme. Student teachers always leave Hayes MFL department as considerably better teachers.

### THE MODERN FOREIGN LANGUAGES CURRICULUM

---

Our vision in Modern Languages at Hayes is for all students to become enthusiastic and confident communicators in a foreign language, whether they are studying French, German or Spanish. We want Hayes students to be able to manipulate language independently, building on foundations of vocabulary knowledge and applying grammatical concepts effectively.

MFL students at Hayes pursue the ability to communicate effectively with other cultures. We explore how to learn a language and we open student minds. We enable students to manipulate the language independently,

foster linguistic curiosity, and equip them with the confidence and skills to be able to use them in the future.

We believe that the best way of doing this is teaching students in the language itself as much as possible to give an authentic and more natural learning experience. Our lessons are very interactive with a wide range of activities, such as using mini white boards, pair and group work, individual presentations, and games with a competitive edge, which develop the four skills of listening, reading, speaking and writing. We use technology both in and outside the classroom to enhance the learning. For example, Quizlet to help students learn vocabulary or the Language Lab, where they independently work through a digital learning plan tailored to support their individual progress.

Beyond linguistic competence, we encourage students to be more open minded about other cultures, to be curious, reflective and resilient learners and to equip them with the skills to support them in an increasingly global world. We are very proud of the way in which our students can spontaneously express themselves by the end of their GCSEs, and by the end of A Levels, students are fully fledged linguists.

As a department, we are constantly looking to evolve our practice and have therefore adopted a blended approach to teaching and learning. We seek to take what we believe to be best of research-led teaching methods. For example, we have been recently inspired by some aspects of Conti methodology, which we believe prioritises confidence in speaking and modelling strong listening skills. We have introduced knowledge organisers and support sheets to both stretch and scaffold across our mixed attainment classes in KS3. However, we are still very much a department who wants to teach through discovery and enable students to be creative. We do teach grammar explicitly and enjoy stretching our students with resources that go beyond the core vocabulary.

From KS3, students are encouraged to communicate in the target language in lessons; they enjoy this and it is rewarding for both staff and students in terms of both motivation and linguistic progression. At KS4, students currently follow the AQA GCSE course. At A-level, students follow the Edexcel course. From September 2024, we will be introducing the new Edexcel (Pearson) GCSE course.

### Testimonial from Kaylee Juji, Head of French

*"I am proud to be part of such a dedicated and supportive team. My own teaching practice has dramatically improved since joining the department. This is not only because of regular department-led CPD sessions, but more importantly because the department prides itself on collaboration. I thoroughly enjoy working in such a friendly department where my colleagues are always willing to share good practice or support others in any way they can. The MFL department is highly regarded in the school and I know that students enjoy engaging lessons, no matter which teacher they have, and the various trips abroad which are offered."*
